

ENZORIVA

Fashion accessories company with Skopje office looking for a Mechanical Engineering Internship colleague

About us:

We are Enzoriva (www.ensoriva.com) an ambitious German / Spanish based company, concentrated in selling fashionable sunglasses into various European markets. For our newly established office in Skopje city center we are opening an announcement for a **Mechanical Engineering Internship**.

Our requirements:

- ✓ Good English
- ✓ Flexible over the week
- ✓ Three months duration or longer
- ✓ 10 hours or plus weekly

Skills and competencies:

- ✓ Main study period
- ✓ Practical experience (projects / other internships)
- ✓ Self-organized

Our offering:

- ✓ **Paid internship (12 000 den. for full time attendance)**
- ✓ Possibility for working engagement offer (if successful accomplishment, as well as at the end of the exams)
- ✓ Various training on the job
- ✓ Local office in Skopje city center
- ✓ Excellent development opportunities

If you are interested to join, please send us your CV and motivation letter in English no later than **18.04.2016** to the following e-mail address: jointheteam@ensoriva.com, specifying the position you applying for.

We are looking forward for your application!
